Maldon was declared by the National Trust as Australia’s first ‘Notable Town’ back in 1966. ‘Once a thriving metropolis, having begun as a gold rush village in 1854 with the discovery of alluvial gold at the base of nearby Mount Tarrangower, Maldon’s well deserved reputation as a picturesque historic town is known for its intact 19th century commercial centre. Spend an hour or two wandering around soaking up the atmosphere of the township and its heritage houses and gardens.

Castlemaine, the site of the famous Mt Alexander Diggings, was the location of the richest alluvial goldfield in the world. It is now a bustling town renowned for its eclectic arts scene, rich gold-rush history and growing reputation as a fine food destination. Explore Castlemaine’s rich history and heritage - its grand public buildings, wide streets, ornate hotels and century-old shops. You can try a spot of shopping along the way; from gourmet food and designer clothing to antiques and art.

Welcome to the Victorian Goldfields Railway

Leve behind the modern world and become immersed in the charming atmosphere of yesteryear - a truly unforgettable experience. Be whisked away into the past - see a distant puff of smoke, hear the powerful whistle echoing across the Goldfields and smell the smoke wafting through the air as you enjoy the sights and sounds of the magnificent steam locomotive in action. Explore the locations from TV’s Miss Phryne Fisher’s Murder Mysteries and the blockbuster Australian movie The Dressmaker.

Your genuine old style ticket will be clipped by your friendly conductor as you travel in our authentic steam era carriages, with polished interior woodwork and pressed metal ceilings.

For a wonderful day out, drive or catch the V/line train from Melbourne or Bendigo to connect with our late morning train from Castlemaine, travelling to Maldon where you have a leisurely 2 hours for lunch and to explore the gorgeous little town. Enjoy a meal at the many quality cafés or pubs, find treasures at the antique shops, explore the quaint main street, heritage houses and gardens. Then relax on the mid-afternoon train back to Castlemaine (perhaps enjoying a drink from the bar on first class) connecting with V/line services back to Bendigo and Melbourne.

First Class Experience

A touch of class. Immerse yourself into the world of Hercule Poirot and the Orient Express into the Golden Age of rail travel, when the journey was just as important as the destination and club and parlour cars were the social hub of many elite trains around the world.

Our first class carriages offer a unique rail experience complete with cosy compartments, open lounges and fully equipped bar. Enjoy a drink or snack served by our Stewards, while you simply sit back and relax. Ride on the observation platform on our parlour car, let the world drift by as you leave behind the hum-drum modern life and experience a taste of true decadence during your leisurely journey.

The Perfect Gift

A First Class Gift Certificate is ideal for those who appreciate experiences rather than material presents. Options include a cheese platter with drinks from the bar to enjoy in the luxurious first class carriages.

Open the windows, listen to the whistle and maybe see a kangaroo or two.

Victorian Colonial Express

Travelling on this train is indeed a trip back in time. This is the real thing; ancient relics from the 1880’s travelling on an early branchline with original infrastructure.

Starting from Castlemaine’s imposing railway station our steam train takes you to Maldon where you have 3 hours for lunch and to explore the National Trust declared ‘Notable Town’.

This train runs for the National Trust Heritage Festival every year and other selected occasions.
