Membership

Thank you for applying for Membership of the Castlemaine & Maldon Railway Preservation Society.

The Society was first formed in 1976 with the aim of preserving, restoring and operating the line as a Tourist Railway capturing the steam era of the Victorian Branch line Railway. By becoming a Member you will support the work of the Society through your annual subscription.

The benefits of membership of the C&MRPS include:-

- Eligibility to Vote at General Meetings
- Newsletters keeping you up to date with events on the railway.
- Free rides on normally scheduled VGR trains.

The Society's newsletter will be mailed to you when issued (usually monthly). Upon presentation of your Membership Card at the Booking Office, you are entitled to unlimited free travel on Excursion class on our Railway on any normal scheduled train but not special events. In addition, discounts are available for travel on First class and special events.

Volunteers are the lifeblood of the Victorian Goldfields Railway. Our Locomotive and Train crews, Signalmen, Station Masters, Booking Officers, Sales staff, Catering personal, Repair shop workers, Track workers and Maintenance staff are volunteers. The Directors of the Society are volunteers, as well as many appointed positions within the Railway. With only a small number of employees, the Society relies on the Volunteer workforce to keep the railway in operation.

Your involvement as an active Volunteer would be extremely welcome! Our volunteer coordinator would be happy to contact you to see if you are interested in becoming a volunteer. I would be grateful if you would complete the Application Form, and return to:-
